## Computer Science and Applications/2020-2021

- I. COURSE DESCRIPTION:** This one-quarter course provides students with skills in computer education and technology. Areas of emphasis include computer science, computational thinking, productivity applications, and digital citizenship. Instructional practices incorporate integration of diversity awareness including appreciation of all cultures and their important contributions to society. This course is appropriate for grades six through eight. This course fulfills the one-half computer credit required for high school graduation.
- II. HOURS OF AVAILABILITY** – Office hours are from 8:20-9:00am Monday-Thursday and 9am-12pm on Fridays by appointment. Please email your teacher if you would like to set up an appointment. We will also be staying in our Google Meet after our live class is over for students who need additional help.
- III. GRADING POLICY**
- A. DESCRIPTION OF GRADING PROCEDURES** – Students’ grades will be calculated based on the following categories and percentages:
- 80% Mastery [assessments]
  - 20% In Progress [classwork/practice]
- Note:** We are being very flexible with due dates however, we do have a lot of work. It is in the best interest of the student to keep up with the daily assignments as much as possible. The final due date towards the end of the grading periods will be posted in the announcements as that time gets closer.
- \*Most quizzes/tests are set up for one retake in Canvas and the higher of the two grades will be posted.**
- B. BASIS FOR QUARTER AND SEMESTER GRADES** – The following will be utilized when assigning final grades for the quarter and the semester:
- 45 % Quarter Grade A
  - 45 % Quarter Grade B
  - 10 % Semester Exam

### **C. ATTENDANCE/FAILING GRADES/RETENTION ENFORCEMENT:**

Attending school on a regular basis is vital to academic success. Students who miss more than 10 unapproved absences in any course during a semester (18 weeks) may receive a failing semester grade for that course. An approved absence, as defined, is an unavoidable absence caused by illness, court appearances, religious holidays, and an emergency outside the control of the student or the student's family, and/or a prearranged absence (not exceeding 10 in a school year).

A pupil in Grade 6 must complete one semester with a passing grade in mathematics, English or reading, and science for promotion to the seventh grade. A pupil in Grade 7 must complete one semester with a passing grade in mathematics, English or reading, science, and social studies for promotion to the eighth grade. A pupil who enters Grade 8 must complete three semesters with a passing grade in mathematics, three semesters with a passing grade in English or reading, two semesters with a passing grade in science, and two semesters with a passing grade in social studies during the seventh and eighth grade years for promotion to high school (CCSD regulation 5123).

### **D. MAKE-UP PROCEDURES:**

Teachers shall provide an opportunity for a student to make up missed work due to any absence. When a student is absent, the educational experiences lost during that absence might be irretrievable because the instruction and interaction in the instructional setting cannot be duplicated through make-up work. Our course in Canvas is organized by the week and day so it should be very easy to navigate and see what is being assigned each day. Even when a child is absent, they are still responsible for all of the work assigned for that day.

After any absence, a secondary student is required to initiate contact with his teacher(s) to obtain appropriate make-up work within three (3) school days immediately following the absence. Once contact has been made with the teacher(s), specific make-up work must be completed and returned to the teacher(s) within a reasonable length of time, to be determined by the teacher and communicated to the student/parent or legal guardian. The make-up work must be returned to the teacher(s) by the specified due date. Students shall be allowed a minimum of (3) three days to complete make-up work.

**IV. STUDENT PLANNERS/NOTEBOOKS** – Students will be encouraged to utilize the Calendar features available in Canvas in order to stay organized and aware of due dates for assignments and assessments within each of their courses.

**List of School Supplies:**

- ✓ A computer with a keyboard and internet
- ✓ notebook (to take notes as you are working)
- ✓ pencil
