Agenda Items

1.0 Welcome and Roll Call

2.0 New Items

2.1 Review and discuss. – *The administration will share the Faiss Middle School Plan of Operation, including the school roadmap and various school budgets.* Input makes decisions more meaningful, which comes from the school leadership team, admin, and the faculty senate. Student success is what drives the roadmap which is measured by test scores. Goals for the year are to improve Math and ELA scores in the MAPS and SBAC testing by using good materials and teachers planning together. Within the block scheduling there is targeted intervention for those that are in need. Another goal is to work on bringing down the chronic absenteeism by identifying those that are missing many days and work with them to set plans to keep them attending classes. A budget worksheet was provided. The budgets are set by the legislature bi-annually. The school is funded on a 6 period day but now is on block scheduling which requires more teachers.
