PROGRESS REPORTS:

Progress reports will be distributed one-time halfway through each quarter. Progress reports will be handed out during their advisory class on each quarter's distribution day. It is each student's responsibility to see that they are taken home and your responsibility to make sure your child provides you with it. You may also check Infinite Campus for their most current grades. If you would like a current progress report any time during the quarter, please email your student's teacher. You may request a weekly progress report in ALEKS from your child's teacher.

STRUGGLING STUDENTS:

Students who are struggling are encouraged to get help whenever/wherever they can. Please remind your child to contact their teachers for extra assistance. Teachers are just an email/phone call away. Parents/Guardians are definitely encouraged to help motivate/teach their kids at home. There are many different resources online that you can find that will help student progress (ALEKS.com, Khan Academy, IXL Math, and etc.)

Suggestions for Parent/Guardian Assistance for Students:

- Check Infinite Campus (IC) often, at least weekly
- Check student's CANVAS daily for assignments and verify ALL work is being completed
- Do daily math fact drills (Addition, Subtraction, Multiplication, & Division) Ex. Flashcards, websites, etc
- Log into ALEKS regularly with your student to see their progress, goals, objective goals, and assist as needed

C. ATTENDANCE/FAILING GRADES/RETENTION ENFORCEMENT:

Attending school on a regular basis is vital to academic success. Students who miss more than 10 unapproved absences in any course during a semester (18 weeks) may receive a failing semester grade for that course. An approved absence, as defined, is an unavoidable absence caused by illness, court appearances, religious holidays, and an emergency outside the control of the student or the student's family, and/or a prearranged absence (not exceeding 10 in a school year).

A pupil in Grade 6 must complete one semester with a passing grade in mathematics, English or reading, and science for promotion to the seventh grade. A pupil in Grade 7 must complete one semester with a passing grade in mathematics, English or reading, science, and social studies for promotion to the eighth grade. A pupil who enters Grade 8 must complete three semesters with a passing grade in mathematics, three semesters with a passing grade in English or reading, two semesters with a passing grade in science, and two semesters with a passing grade in social studies during the seventh and eighth grade years for promotion to high school (CCSD regulation 5123).

D. MAKE-UP PROCEDURES:

Teachers shall provide an opportunity for a student to make up missed work due to any absence. When a student is absent, the educational experiences lost during that absence might be irretrievable because the instruction and interaction in the instructional setting cannot be duplicated through make-up work. Students have access to notes in CANVAS. Each module in CANVAS will have previous, current and upcoming notes for every topic for each objective.

After any absence, a secondary student is required to initiate contact with his teacher(s) to obtain appropriate make-up work within three (3) school days immediately following the absence. Once contact has been made with the teacher(s), specific make-up work must be completed and returned to the teacher(s) within a reasonable length of time, to be determined by the teacher and communicated to the student/parent or legal guardian. The make-up work must be returned to the teacher(s) by the specified due date. Students shall be allowed a minimum of (3) three days to complete make-up work.

IV. STUDENT PLANNERS/NOTEBOOKS – Students will be encouraged to utilize the Calendar features available in Canvas in order to stay organized and aware of due dates for assignments and assessments within each of their courses.
