Greetings, Faiss Middle School Community,

My name is Roger West, and I am thrilled to be starting my ninth year as the principal at Faiss Middle School. Faiss is not just a workplace for me, it's my second home and family. As a parent of two children in CCSD, I deeply understand the importance of a strong home-school connection. At Faiss MS, we are committed to working hand in hand with our families to overcome our students' challenges and celebrate their successes.

Let me share a bit about my journey. Hailing from Reno, Nevada, I have dedicated my entire 22-year career to the Clark County School District. Whether as a classroom social studies teacher or a school and district-level administrator, my focus has always been on being a leader who puts students at the center of everything. As a product of the Nevada public school system, I am unwavering in my commitment to ensuring our students receive a top-notch education.

At Faiss, we offer academics, programs, and opportunities for all students, from our most gifted learners to those with intellectual and developmental disabilities. We have designed a school that challenges and supports students through classes, clubs, sports, and activities that help them develop academically and socially, preparing them for high school. I am proud to work with the over 100 staff members at Faiss Middle School who share these core beliefs.

On behalf of the over 100 staff members that I am honored to work with, I look forward to the 2024-2025 school year. Though we are on summer break, we are working hard to prepare for the coming school year. Please explore our website, www.faissmiddleschool.net, to learn more about Faiss.

We will have our annual welcome-back [Open House](#) on Wednesday, August 7th, between 4 and 6 p.m. Students can pick up their schedules, meet teachers and staff, and tour the campus. We have a bus rider orientation at 5:00 p.m. and an athletics meeting at 5:30 p.m.

If you have any questions, comments, concerns, or compliments, please email me at the address below.

Dream...Believe...Soar to Achieve!

Roger West, Principal
